

PRICING OFFER

Paraguay Tax Residency

Main service & optional add-ons

Our express-track residency package to establish Paraguayan tax residency under the territorial tax system, plus optional services for accounting and address registration. All fees are quoted in EUR.

MAIN SERVICE

Tax residency package

Our flagship service. Redomiciled manages the full Paraguayan residency process end-to-end. The full process takes approximately 120 days, depending on government and migration timelines in Paraguay.

Everything you need to obtain your Cédula (national ID) and RUC tax number, with on-the-ground support in Asunción throughout.

Tax Residency Package

Establishing tax residency in Paraguay

SERVICE FEE

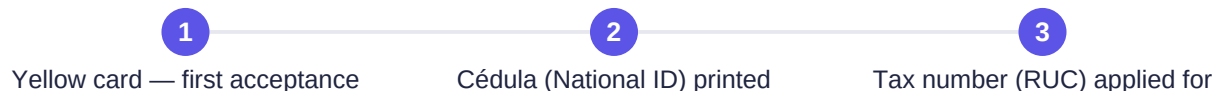

EUR 4,200

Fixed fee for the entire process.
Approximately 120 days end-to-end.

The package includes

Document assistance & pre-check	Certified Spanish translations
Migration appointment coordination	On-the-ground support in Asunción
Government & compliance procedures	Temporary Residency issued
Cédula (National ID card)	RUC tax number application

Process

Timing: The full process takes approximately 120 days end-to-end, depending on government and migration timelines in Paraguay. This establishes a two-year temporary residency, after which you can apply for permanent residency.

OPTIONAL SERVICE 1 · ACCOUNTING

Accounting introductions

The services on the following pages are optional add-ons to the residency package, or can be taken on their own. All fees are quoted in EUR.

We make optional introductions to qualified, English-speaking local accountants for Paraguayan tax filings, bookkeeping and ongoing compliance — or you can have us handle it.

Accounting · optional	Price
Accountant introduction	Optional
Ongoing accounting handled through us	EUR 300 / yr
Handle it yourself — we provide the material	—

What you get

Choose the level of support that suits you. We can introduce you to a trusted local accountant, manage your ongoing accounting through us for EUR 300 per year, or provide the material you need to handle your own accounting independently.

OPTIONAL SERVICE 2 · ADDRESS REGISTRATION

Address registration assistance

Formal registration of your local address in Paraguay, establishing your legal domicile for official correspondence and compliance — provided with a utility bill and address.

Address registration · optional**Price**

Utility bill & registered address

EUR 1,000 / yr**What's included**

- Registered local address in Paraguay
- Compliance & KYC proof of address
- Utility bill in your name
- Renewable each year
- Legal domicile for official correspondence
- Billed only if a dedicated address is required

Subject to availability: We first confirm address availability with our local team before requesting payment.

NEXT STEPS

Ready to begin?

Confirm the residency package and any optional services you need, and we'll begin onboarding immediately — collecting your documents and coordinating your migration appointment in Asunción.

Redomiciled will then guide you through each in-country step, from yellow card acceptance to the printing of your Cédula and the application for your tax number.
